Canada Growth Summit 2026

Canada Growth Summit has become a must-attend event on the country's economic policy calendar, with the Public Policy Forum (PPF) convening key policymakers, experts, industry executives and civil society leaders to discuss Canada's most pressing policy challenges.

Past Summits have covered Canada's heightened role in a world looking for dependable allies, the productivity crisis, forging a path to a net-zero economy and unleashing Canada's potential in turbulent times.

They have featured speakers such as Marc-Andre Blanchard, Hon Lisa Raitt, Dr. Trevor Tombe, Lisa Raitt, David MacNaughton, Louise Blais, JP Gladu, H.E. Nadia Theodore, Hon. Doug Ford and Hon. Sean Fraser.

Pre-Summit Dinners

The PPF Pre-Summit Dinners take place on the eve of the annual Growth Summit and PPF Testimonial Dinner – the most significant gathering of Canadian policymakers in the calendar.

At the small number of carefully curated gatherings, conversations reflect the most important policy agendas of the day. With a strict maximum of 25 guests, these Pre-Summit Dinners are exclusive, invite-only and represent the hottest ticket in town. Each dinner is supported by leading speakers, with conversations taking place under the Chatham House convention, allowing for a full and frank exploration of the evening's theme.

In 2026, PPF will hold five (5) Pre-Summit Dinners. Pre-Summit Dinners are among PPF's most popular events; sponsorship opportunities are limited and tend to sell out quickly.

Benefits

As a Pre-Summit Dinner Host, Sponsors will access the following benefits:

- Collaborate with PPF to develop a theme related to PPF's policy work
- Input into speaker and moderator selections;
- Choice of venue;
- Suggest guests for the invite list;
- Four (4) seats reserved for host sponsor;
- Recognition by the moderator and on Pre-Summit Dinner event materials; and

They afford wonderful and important opportunities for our guests and others, who are participating in the Growth Summit and Annual Testimonial Dinner. They also allow us to show off our space and our talent.”
